

SANCTUARY OF THE HEART

Join us for a loving retreat to slow down, soften, and reconnect with your heart. As autumn invites us inward, we'll create space to release what no longer serves, remember the wisdom within, and welcome gentle renewal and rebirth.

Through guided experiences, we'll nurture emotional healing, self-love, and the restoration of your natural feminine essence—grounded, radiant, and whole.

- CHanneled Divine Feminine Transmissions
- Light Language Activations
- Tesla Energy Healing
- Crystal Bowls
- Breathwork
- Spirit Gatherings
- Nature Connection
- Grid/Land Activation
- Holy Fire Reiki
